

Carnival of the Divine Imagination[®]

Ignite your senses!

Carnival of the Divine Imagination performs an elemental mix of fiery and luminescent arts borne of the intimate, mysterious, playful and energetic: striking displays that have captivated audiences in Australia and around the world, for corporate events, festivals and extravaganzas alike.

The Carnival's innovative performances have been a highlight at a diverse variety of events for clients including Sony Ericsson, Canon, ENJO and Berringer Blass, as well as festivals such as the Singapore Arts Festival, Woodford Folk Festival and the Bellingen Global Carnival.

Known for pushing the boundaries of conventional circus and fire performance, the Carnival has created a series of imaginative productions — from stage shows to interactive installations — suitable for all types of events. With slick choreography, striking costumes, and state-of-the-art performance equipment, the Carnival delivers an unforgettable show every time.

Keen to share an enthusiasm for performance arts, the Carnival also hosts up-beat public workshops in fire dancing and circus arts.
