

Length: Flexible (up to 2 hours)

Performers: 2, 3 or 4+

Audio: In-house music or CD soundtrack

Space: Flexible / Roving

Best For: Indoor/outdoor 'meet & greet', clubs, parties, weddings

Turn up the heat with up-close fire artistry: unleash our fiery roving characters to enliven any party atmosphere!

Our roving fire artists can wander amongst guests, performing 'death-defying' fire eating and body burning stunts, plus high energy fire spinning with a wide variety of props (space permitting) including some choreographed stunts. This flexible format can be performed in a variety of creative performance spaces. Unlike our choreographed productions, the roving performance format is not synchronised to music, and so it is recommended that in-house music be provided (live music / band / dj / CD, etc). Alternatively we can provide a CD soundtrack on request.

A favourite for themed events, welcoming ceremonies, birthday parties and weddings, our experienced performers add a memorable spark to any occasion.
